Product cover for Business Law and the Legal Environment, Standard Edition 7th Edition. "The... challenges the traditional notion that lawyers are chiefly 'consultants' for their clients... [as legal education] should emphasize the more fundamental role of lawyers... as agents of the 'people' for the public good.... The impetus toward greater social responsibility in the profession is bolstered by the ongoing changes in the legal system. The legal'system' has been radically altered.... the profession is being forced to reinvent itself, and many lawyers are taking this challenge in creative new directions." From Prof. Charles W. Hellinger's foreword. See also What Should and Could/Should Not Be Discussed in Law Schools, by James R. Potter. First Edition, 2005, ISBN 1-56022-638-8, p. 18-19. . Cf. What Should and Could/Should Not Be Discussed in Law Schools, by James R. Potter. First Edition, 2005, ISBN 1-56022-638-8, p. 20: "... the 'common law' of the 'free-enterprise system' is not a

'given' but... must be elucidated and justified... '[t]he structure of private enterprise.'... '[a]n educated person [must] be able to critically assess the fundamental and authoritative legal doctrines that have been developed to govern the 'free enterprise system'...." . Cf. See also pp. 20-21: "Only such a legal system, then, would really respect the dignity of all human beings and provide the framework of law and the legal process that would be truly fair. In other words, the legal process must not be a structure of government." See also pp. 21-22: "... today's complicated world... law as a structure of government... [must] be updated and revised... [and] the legal system... must also be updated and revised... in order that all aspects of the legal system... provide more fair justice...." .
